Dear Parents & Carers,

### "School Improvement Plan" questions

Thank you to everyone who has completed my questions about "What works well at Croftlands Infant & Nursery School? and "What could we do to make our school even better? We have had very positive comments. Areas to work on are parking outside school and before and after school provision. I will let you know when I have collected more answers.

### Parking outside school and staff car park

So that we can keep our children safe at drop off and pick up time, please park responsibly. Cars have been parking on pavements and across drive ways. Our car park is for authorised use only. Thank you.

### Ladybird Class trip to Lowther Castle

Thank you to everyone who has sent their permission slips and payment in to the office. Please remember to hand them in if you still need to. Thank you.

### University of Cumbria students

Key Stage One classes have students working with them until July. Mr Hart, Miss Ross and Miss Hall are enjoying getting to know our children and working hard.

### Walk to school week challenge 21.5.18-25.5.18

From Monday 21<sup>st</sup> May we will be encouraging as many children as possible to walk to school. I know that for some children this is difficult due to a variety of reasons. We are trying to encourage walking habits through a programme called "Living streets." If you would like further information please search for [www.livingstreets.org.uk](http://www.livingstreets.org.uk)

Thank you for your continued support.

Mrs Jo Procter
