Dear Parents & Carers,

### Parent questions for "School Improvement Plan."

Thank you to everyone who returned my questions and answers sheet. 20% of the school returned a slip. Feed back is o the website. Areas to work on include; after school clubs, before and after school provision, communication and school trips. We received some amazing feedback such as: friendly and supportive staff, community work and treating your children as individuals. I am particularly pleased that many of you value me welcoming you at the gate in the mornings!

### Year One trip to South Lakes Safari Zoo.

Year One children should have brought home a letter about their trip to the animal park. Please ask Mrs Woodburn or pop into the office if you did not receive one. I know they are very excited about going.

### Year Two trip to Coniston Water Park.

Year Two children should have brought home a letter about their trip to the Water Park. Please ask Mrs Henderson & Mr Stewart or pop into the office if you did not receive one. I know last year the children had an amazing time. Your children will love kayaking and high ropes.

### Nursery trip.

Sparrow Class are still considering places to visit. If you have any ideas please see Mrs Hampshire. More information will follow.

### Walk to school week 21.5.18

We will be encouraging children to walk to school where possible. Booklets will come home next week. Thank you.

### "Playdale" adventure equipment

"Playdale" are installing more adventure climbing equipment from Monday 14<sup>th</sup> May. We are using some of our "Sport Funding" to provide climbing and balancing equipment, that all our children can use throughout the day.

Thank you for your continued support

Mrs Jo Procter
