

Knowledge Organiser - Year 1 - Bonfire Night.

What I should already know?

Through the year we celebrate different festivals using light.

Each year we celebrate things that are important to us and that have happened in the past so we don't forget them.

Knowledge

Bonfire Night happens every year and is a national celebration.

Bonfire Night is only celebrated in the United Kingdom.

Bonfire Night reminds us of when King James was almost blown up with gunpowder.

At Bonfire Night we use fireworks because they are like gunpowder.

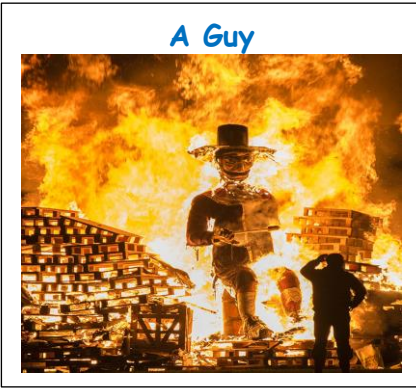

We burn a Guy on a bonfire to remind us of Guy Fawkes.

On Bonfire Night people have fun in parks and gardens to watch the fireworks and bonfires together.

What I will know by the end of this unit?
